Emilio,

Did you already talk to Brian about this in the past? I seem to remember some convo. If you tackle Brian, I can tackle Jackie when the time comes.

Yes – you're right about that. Her superintendents would apply. (I'm putting that draft application process together right now to run it by the two of you this week.)

I don't think it would hurt to double down on the attendance piece just in case she has a change of heart about her own membership. But of course, it's up to you and Emilio.

Do one of you want to give Brian a call this week, at least? The way he left it on my call with him was that he's happy to continue, but happy to step down if the group prefers.

I thought Jackie said she wanted to step down but wanted to give her seat to one of her area supts. Wasn't the convo with her that the area supt would have to apply to be considered like everyone else?

Hi Emilio and Cristina,

I'm working this week to get things prepared for next week's step-back. Looking at our notes – we wanted to have attendance conversations with Brian and Jackie in advance of the 14th. How do the two of you feel about making those calls this week?

For your reference, I've attached the most recent attendance tracking. Let me know if you have any questions about this.

Thank you,

Jennie
